BIBLIOGRAPHY FOR BOSTON'S

COMMUNITY RENEWAL PROGRAM

THE BIBLIOGRAPHY IS ARRANGED BY RELEVANCE TO THE SPECIFIC STUDIES OF THE CRP, IT HAS NOT BEEN CROSS INDEXED, THEREFORE, USERS ARE ENCOURAGED TO SEARCH BEYOND THEIR SPECIFIC STUDY.

Planning Department
Boston Redevelopment Authority
November, 1967

BOSTON
PUBLIC
LIBRARY

I. ECONOMIC CHANGE

Boston College, Bureau of Public Affairs, The Economic Base Study, Boston, 1964.

Breakdown of economic problems of Boston, with analysis and recommendations.

Boston Redevelopment Authority, Long and Short Run Economic Forecasts for Boston and Its Metropolitan Area, Boston, 1961.

Forecasts based on local and national patterns of economic development.

Boston Redevelopment Authority, Programs Available for Small Business, Boston, 1967.

A summary of available assistance to the small businessmen from the Small Business Administration.

Boston Redevelopment Authority, Blue Hill Avenue Shopping Facilities, Boston, 1967.

A planning paper which surveys and describes a retail commercial strip in the Roxbury-North Dorchester GNRP.

Brown, Harris, Stevens, Inc., Market and Land Use Study for the Downtown Waterfront Faneuil Hall Renewal Plan, prepared for the Waterfront Redevelopment Division of the Greater Boston Chamber of Commerce, 1962.

Data for the development potential of the area.

Burtt, Everett J., Jr., The Electronics Industry of Greater Boston, (Economic Base Report, No. 10) Greater Boston Economic Study Committee, Boston, 1962.

Labor supply, employment shifts, product demand for an industry which incubates in Boston and often leaves. Information based on a questionnaire.

Burtt, Everett J., Jr., The Labor Force of Greater Boston (Economic Base Report, No. 1) Boston. Greater Boston Economic Study Committee, June 1959.

Labor force of Greater Boston in terms of characteristics, language, sex, and skills and projections of its size by sex and age for 1960 and 1970.

Commonwealth of Massachusetts, Metropolitan Area Planning Council, M.A.P.C. Working Papers, #1, Projected. Distribution of Families and Unrelated Individuals by Income Class, Boston, 1966.

Data finds on distribution of income in 1975-1990. Each income category is discussed separately in terms of present data and projections.

Doherty, Richard M., Economic Implications of Public and Private Development in Boston, A.B.C.D., Boston, 1961.

The effect of renewal upon employment and investment in Boston.

I. ECONOMIC CHANGE (con't)

Greater Boston Chamber of Commerce, Research and Development Department, A Look of Boston Business Conditions, Boston, 1961.

An assessment of the business climate in Boston and the prospects for the immediate future.

Lees, Hannah, "The Making of a Negro Middle Class", The Reporter, October 8, 1964
P. 41

The importance of Negro businessmen in the Negro community.

M.A.P.C., Economic Base and Population Studies, Boston, (n.d.)

Characteristics of the economy and population with summary of prospects for economic growth through projections.

Massachusetts Department of Commerce, Monograph for Boston's Metropolitan Area, November, 1962.

Information and data on population, housing, economic base, employment, municipal finance, education, transportation, planning, industrial development, and utilities for Boston's Metropolitan Area.

Planning Services Group, The Industrial Land Needs in the Greater Boston Area Through 1980. Boston, Greater Boston Economic Study Committee, October, 1961.

Projections of manufacturing and wholesale employment in the Boston area for years 1970 and 1980. Projections of employment density ratios and future land needs by sub-areas and industry groups, and analysis of the implications of this project for the development of the area.

Silver, Irving, Interim Forecasts of Aggregate Population, Employment and Income 1965-2000, B.R.P.P., Boston, 1965.

Forecasts to provide the basis for estimating demands for goods and services.

Smith, Larry and Company, Land Utilization and Marketability Study (for project areas: Charlestown; South End, and Washington Park); and Economic Analysis (for five renewal areas: Back Bay, East Boston, Jamaica Plain, Parker Hill/Fenway, and South Boston) for the Boston Redevelopment Authority, 1963.

Data for the development potential of these six G.N.R.P.'s.

Smith, Larry and Company, Economic Analysis, Jamaica Plain G.N.R.P. Area, prepared for the Boston Redevelopment Authority, 1963.

Data complete with tables on the economy of the Jamaica Plain G.N.R.P.

Digitized by the Internet Archive
in 2011 with funding from
Boston Public Library

I. ECONOMIC CHANGE (con't)

Smith, Larry and Company, Land Utilization and Marketability Study, Washington Park Project Area, prepared for the Boston Redevelopment Authority, 1963.

Data complete with tables on the economy of the Washington Park GNRP.

Sweetzer, Frank L. , The Population of Greater Boston Projected to 1970 (Economic Base Report No. 2) Boston, Greater Boston Economic Study, June, 1959.

Projects the population of the Boston area to 1970 by broad age and sex groupings. Estimates were derived by a short survival method for the total area only.

U. S. Department of Labor, Bureau of Labor Statistics. N. E. Regional Office, Consumer Price Index for Boston, Massachusetts, U. S. Government Printing Office.

Cost of living index published quarterly.

U. S. Department of Labor, Bureau of Labor Statistics, Consumer expenditures and Income, Boston, Massachusetts, 1960. Washington, U. S. Government Printing Office, 1962, with supplements 1963 to 1964.

Special reports on consumer spending.

Venable, Abraham S. "Mobilizing Dormant Resources: Negro Entrepreneurs", M.B.A. May, 1967, P.28-51

Report on a Howard University program to organize small businessmen's groups for their improvement.

Gladstone, Robert and Associates, Columbia Point Market and Economic Factors, Feasibility Survey, prepared for Boston Redevelopment Authority, (n.d.)

Economic confirmation of a proposal for a new residential complex at Columbia Point.

II. THE PORT

Boston College of Business Administration, "The Role of Aviation and Airports in the Future Development of Greater Boston." (Proceedings of the fifth annual Conference on the Economic Problems of the Boston Area). Chestnut Hill, Massachusetts Boston College, College of Business Administration, May 15, 1958.

Papers on various aspects of air transportation and its effect on metropolitan development.

Boston, Maritime Association, Port of Boston U.S.A., Boston, 1960.

The Port in relation to the increase of shipping tonnage.

2 Corps of Engineers, United States Army and Maritime Administration, U. S. Department of Commerce, The Port of Boston, Massachusetts. (Port series No. 3, revised 1956). Washington, D.C.: U.S. Government Printing Office, 1957.

Information on port and harbor conditions, services, facilities, administration, and transportation services.

Francis, Edward, "The Truth about the Port of Boston," Boston, 1967.

Record - American reprint, Analysis of the present state of affairs in the Port of Boston.

Hammond, James H., "Logan International Airport, Boston", Boston Globe, July 30, 1962

A comparison of Logan with other major airports in the U. S.

3 Legislative Research Council, Legislative Research Bureau Commonwealth of Mass. Facilities Promotion and Competitive Position of the Port of Boston, due 2/28/68.

A report on methodology for making the port of Boston competitive with other eastern ports.

~~delivers~~ | possible review draft?

Massachusetts Port Authority, Annual Reports, Boston: The Authority, 1960 through 1966.

Summary of activities.

Port of Boston Commission, Annual Report, Boston: The Commission (Various years 1954 through 1959.)

Data on commerce in the Port and summarizes commission activities.

Writer's Program, Work Projects Administration Boston Looks Forward, The Story of the Port 1630-1940. Boston: Bruce Humphries, Inc., 1941.

A general history of the development of the port up to World War II.

II. THE PORT

Rowland and MacNeal, Port of Boston - Water-borne Commerce Market and Development Requirements, prepared for the Massachusetts Port Authority, New York, 1964.

A report on marine commerce and guide to action in specific areas.

U. S. Department of Commerce, Maritime Administration, United States Seaports - Atlantic Coast, Port Series, Park I, U. S. Government Printing Office, Washington, D. C., 1963.

Data of value on maritime commerce and shipping for the eastern seaboard.

III. JOBS AND HUMAN RESOURCES

A.B.C.D., The Boston Youth Opportunities Project, Boston, 1965.

A report on delinquency and crime and the approach of the Project to reduce them.

A.B.C.D., Community Action Program Manpower Component, Boston, 1967.

A report on Manpower Program activities for the period April 1 - December 31, 1967 with emphasis on neighborhood improvement centers including data on population being served.

A.B.C.D., Concentrated Impact Employment Program for Boston, Boston, (n.d.)

Incidence of poverty, economic development employment and training statistics with a discussion of current employment programs.

A.B.C.D., Final Report Project HeadStart Boston, The Summer of 1965 Demonstration
Boston, (n.d.)

A comprehensive report on the 1965 summer Head Start Program.

A.B.C.D., Poverty Indices by Boston GNRP's, Progress Report No. 4, Boston, 1964.

Demographic and ecological indices summarized by GNRP.

A.B.C.D., Project Head Start - Boston Full Year 1966-1967, Summer 1967, Boston, 1967.

A comprehensive report on the planned 1967 Head Start Program for Boston.

A.B.C.D., A Proposal to Demonstrate Programs for Culturally Disadvantaged Children in the Boston Public Schools, Boston, 1963.

Analysis of poverty conditions and recommendations for selection of cultural enrichment programs for areas of Roxbury.

A.B.C.D., Proposal for a Work Training Program for Boston Youth, Boston, 1964.

Recommended program to ease the youth unemployment problem.

A.B.C.D., Youth Training and Employment Centers Program Proposal by A.B.C.D., Inc.
Boston, (nd)

Scope of the employment problem, with population and delinquency data for city.

III. JOBS AND HUMAN RESOURCES (con't)

Boston Redevelopment Authority, Characteristics and Trends of Boston's Labor Force, 1958-1965, Boston, 1967.

Data on employment from 1960 census compared with current division of employment security figures.

Boston Redevelopment Authority, A Study of Racial Imbalance and Compensatory Programs of Selected Cities in the U.S. with Recommendations, Boston, (nd.)

Discussions of the existence and causes of imbalance, projected non-white student enrollment, methods to end imbalance, including extensive bibliography.

Boston College, Bureau of Business Research and Mass Division of Employment Security, Manpower Skills Survey of Boston SMSA. Boston, 1964.

A picture of the employment situation in the Boston SMSA, emphasizing labor supply and demand for the period June 1963 to June 1966.

Boston College, Symposium on Crime and Delinquency, Bureau of Public Affairs, Boston, 1964.

A presentation of the social problems causing and resulting from crime and delinquency with recommendations.

Boston School Committee, Education in Disadvantaged Urban Areas, Boston, 1964.

A summary of remedial and preventive programs for the culturally deprived child.

Brandeis University, The Florence Heeler Graduate School for Advanced Studies in Social Welfare, Brandeis Reprint Series - Papers on Social Welfare, Waltham, 1965.

A series of papers on the application of social services at the community level.

Curwood, Sarah T., Project Head Start in Action - A Survey and Evaluation of Head Start Programs in Massachusetts, Massachusetts Committee on Children and Youth, Boston, 1966.

A comprehensive report on all Head Start programs in Massachusetts cities.

Dyggar, George S., Citizen Participation in Boston: A Program for a Large City, A.B.C.D., Boston, 1963.

A formula for citizen participation as part of the workable program for urban renewal.

Federal Reserve Bank of Boston, Retraining the Unemployed, Boston, 1962 and 1963.

Reprints of three articles appearing in the N. E. Business Review, August 1962 and April 1963.

III. JOBS AND HUMAN RESOURCES (con't)

Greater Boston Economic Study Committee, The Labor Force of Greater Boston, (Economic Base Report No. 1), Boston, 1959.

A look at the composites of Greater Boston's employment picture.

Greater Boston Economic Study Committee, Recent Changes in the Employment Structure of Greater Boston, (Economic Base Report No. 3), Boston, 1959.

Shifts in Standard Industrial Classification for the area's labor force. between 1950 and 1957.

Greater Boston Economic Study Committee, The Population of the Cities and Towns of Greater Boston Projected to 1970 (Economic Base Report No. 4), Boston, 1959.

Maps and tables projecting metropolitan area population.

Greater Boston Economic Study Committee, The Population of Greater Boston Projected to 1970, (Economic Base Report No. 2), Boston, 1959.

Maps and tables projecting the greater Boston population.

Greater Boston Economic Study Committee, Projections of Greater Boston's Population to 1970 and 1980, (Economic Base Report No. 9), Boston, 1959.

Net shifts in population patterns based on census data and analysis of projected changes.

Management Service Associates, Inc. and Boston Redevelopment Authority, A Comprehensive Program for Family Relocation for the Boston Redevelopment Authority, Boston, 1962.

A summary of family relocation goals, problems, organization with recommendations.

Massachusetts Division of Employment Security, Employment and Wages, Boston, special reports published periodically.

A summary of area labor force trends and shifts for an irregular time period.

Massachusetts Division of Employment Security, Massachusetts Area Trends, Boston, published monthly.

A monthly account of the employment situation, tables with some text.

III. JOBs AND HUMAN RESOURCES (con't)

Massachusetts State Board of Education, Because It's Right Educationally - Report of the Advisory Committee on Racial Imbalance and Education, Boston, 1965.

A report discussing the existance, extent and threat of de facto segregation in Massachusetts' schools.

Pearlman, Robert, A Review of Social Service Programs Conducted by Settlement Houses in Public Housing Developments in the Boston Area., United Community Service, Boston, 1962. (Duncan Russell Memorial Delinquency Project.)

A statement of the services provided to public housing tenants in metropolitan Boston.

Sargent, Cyril G., et al., Boston Schools - A Report on the Schools of Boston, Boston Redevelopment Authority and Harvard Graduate School of Education, 1962.

A comprehensive report on the schools of Boston with recommendations for a modern urban educational plant for the City in addition to an appriasal of existing facilities.

Stone, Edward, Social Services in Relocation - A One-year Program of Service and Study., United Community Service, 1963.

A report describing and documenting one year of service research operation by a Social Service Unit established jointly by the Boston Redevelopment Authority and United Community Service.

United Community Services of Greater Boston, Neighborhoods of Boston Ranked for Selected Factors - 6th Edition, Boston 1961.

Areas of the city ordered by appearance of certain demographic characteristics.

United Community Services of Greater Boston, Place of Work by Place of Residence, Boston, 1962.

A compilation from census data. Number and percent of workers working in Boston and other areas.

U. S. Department of Commerce, Bureau of the Census, 1960 Census of Population Supplementary Reports on Low-Income Families, U. S. Government Printing Office, Washington, D.C., 1960.

Presentation of statistics on selected income characteristics in 1959 of families and unrelated individuals as enumerated in the census of population.

III. JOBS AND HUMAN RESOURCES (con't)

U. S. Department of Labor, Bureau of Labor Statistics, Income, Education and Unemployment in Neighborhoods, Boston, Massachusetts, U. S. Government Printing Office, Washington, D.C., (n.d.)

A report based on 1960 census data with characteristics of family income, education, and employment are presented in detail for Boston census tracts.

U. S. Department of Labor, Bureau of Labor Statistics, Occupational Wage Survey, Boston, Massachusetts, U. S. Government Prinining Office, Washington, D. C., 1962

A listing of wages paid for certain skills by Standard Industrial Classification breakdowns.

Young, Whitney M., Jr., A Preliminary Exploration of Social Conditions and Needs in the Roxbury - North Dorchester G.N.R.P., A.B.C.D., 1961.

A comprehensive summary of needs and proposals for the Roxbury-North Dorchester GNRP.

IV. HOUSING

Boston College, Seminar Research Bureau, Official List of Home Improvements which Carry No Tax Increase, Boston, 1960 (Urban Renewal Information Booklet No. I).

A list prepared for the home owner which provides information on maximum rehabilitation without assessment increases.

Boston Redevelopment Authority, Consumer Demand for Housing in the Boston Metropolitan Area, Boston, 1961

A study of the elements that affect housing demand and the problem of measuring them.

Boston Redevelopment Authority, An Evaluation of 221(d)(3) Housing in Washington Park, Boston, 1967.

Compiled results of a questionnaire completed by 100 respondents in a number of 221(d)(3) developments.

Boston Redevelopment Authority, Public Housing Program for Boston - Report 16: A Proposed Distribution of Public Housing, 1964.

An evaluation of the Public Housing Program and recommendations for distribution of new units.

Brody, Barbara, A Social Profile for Residential Rehabilitation - Washington Park Urban Renewal Area, Boston, (n.d.)

Composition of neighborhood problems including vacancies and rents.

Boston Redevelopment Authority, Racial Integration in 221(d)(3) Housing Development Washington Park Urban Renewal Area, Boston, (n.d.)

An overall discussion of interracial housing and its characteristics in the new units in the Washington Park Urban Renewal Project

IV. HOUSING (Con't)*Cast*

Cert, Mary Ellen, Castle Square Residential Housing Program,
Boston, A.B.C.D., 1963

Charyna, Joseph, Government Center Project 35, Boston, Massachusetts
Family Relocation Report, Boston Redevelopment Authority, Boston,
1963.

Narrative with statistics on the relocation of families and unrelated individuals to standard housing.

Federal Housing Administration, Department of Housing and Urban Development, Analysis of Boston, Massachusetts Housing Market,
Washington, D.C., 1967

A report of the housing situation as of October 1, 1966 with references to employment and other demographic characteristics.

Frieden, Bernard Jr., The Future of Old Neighborhoods, Joint Center for Urban Studies, Cambridge, 1964

A study of housing in central-city neighborhoods, proposing a policy of gradual rebuilding.

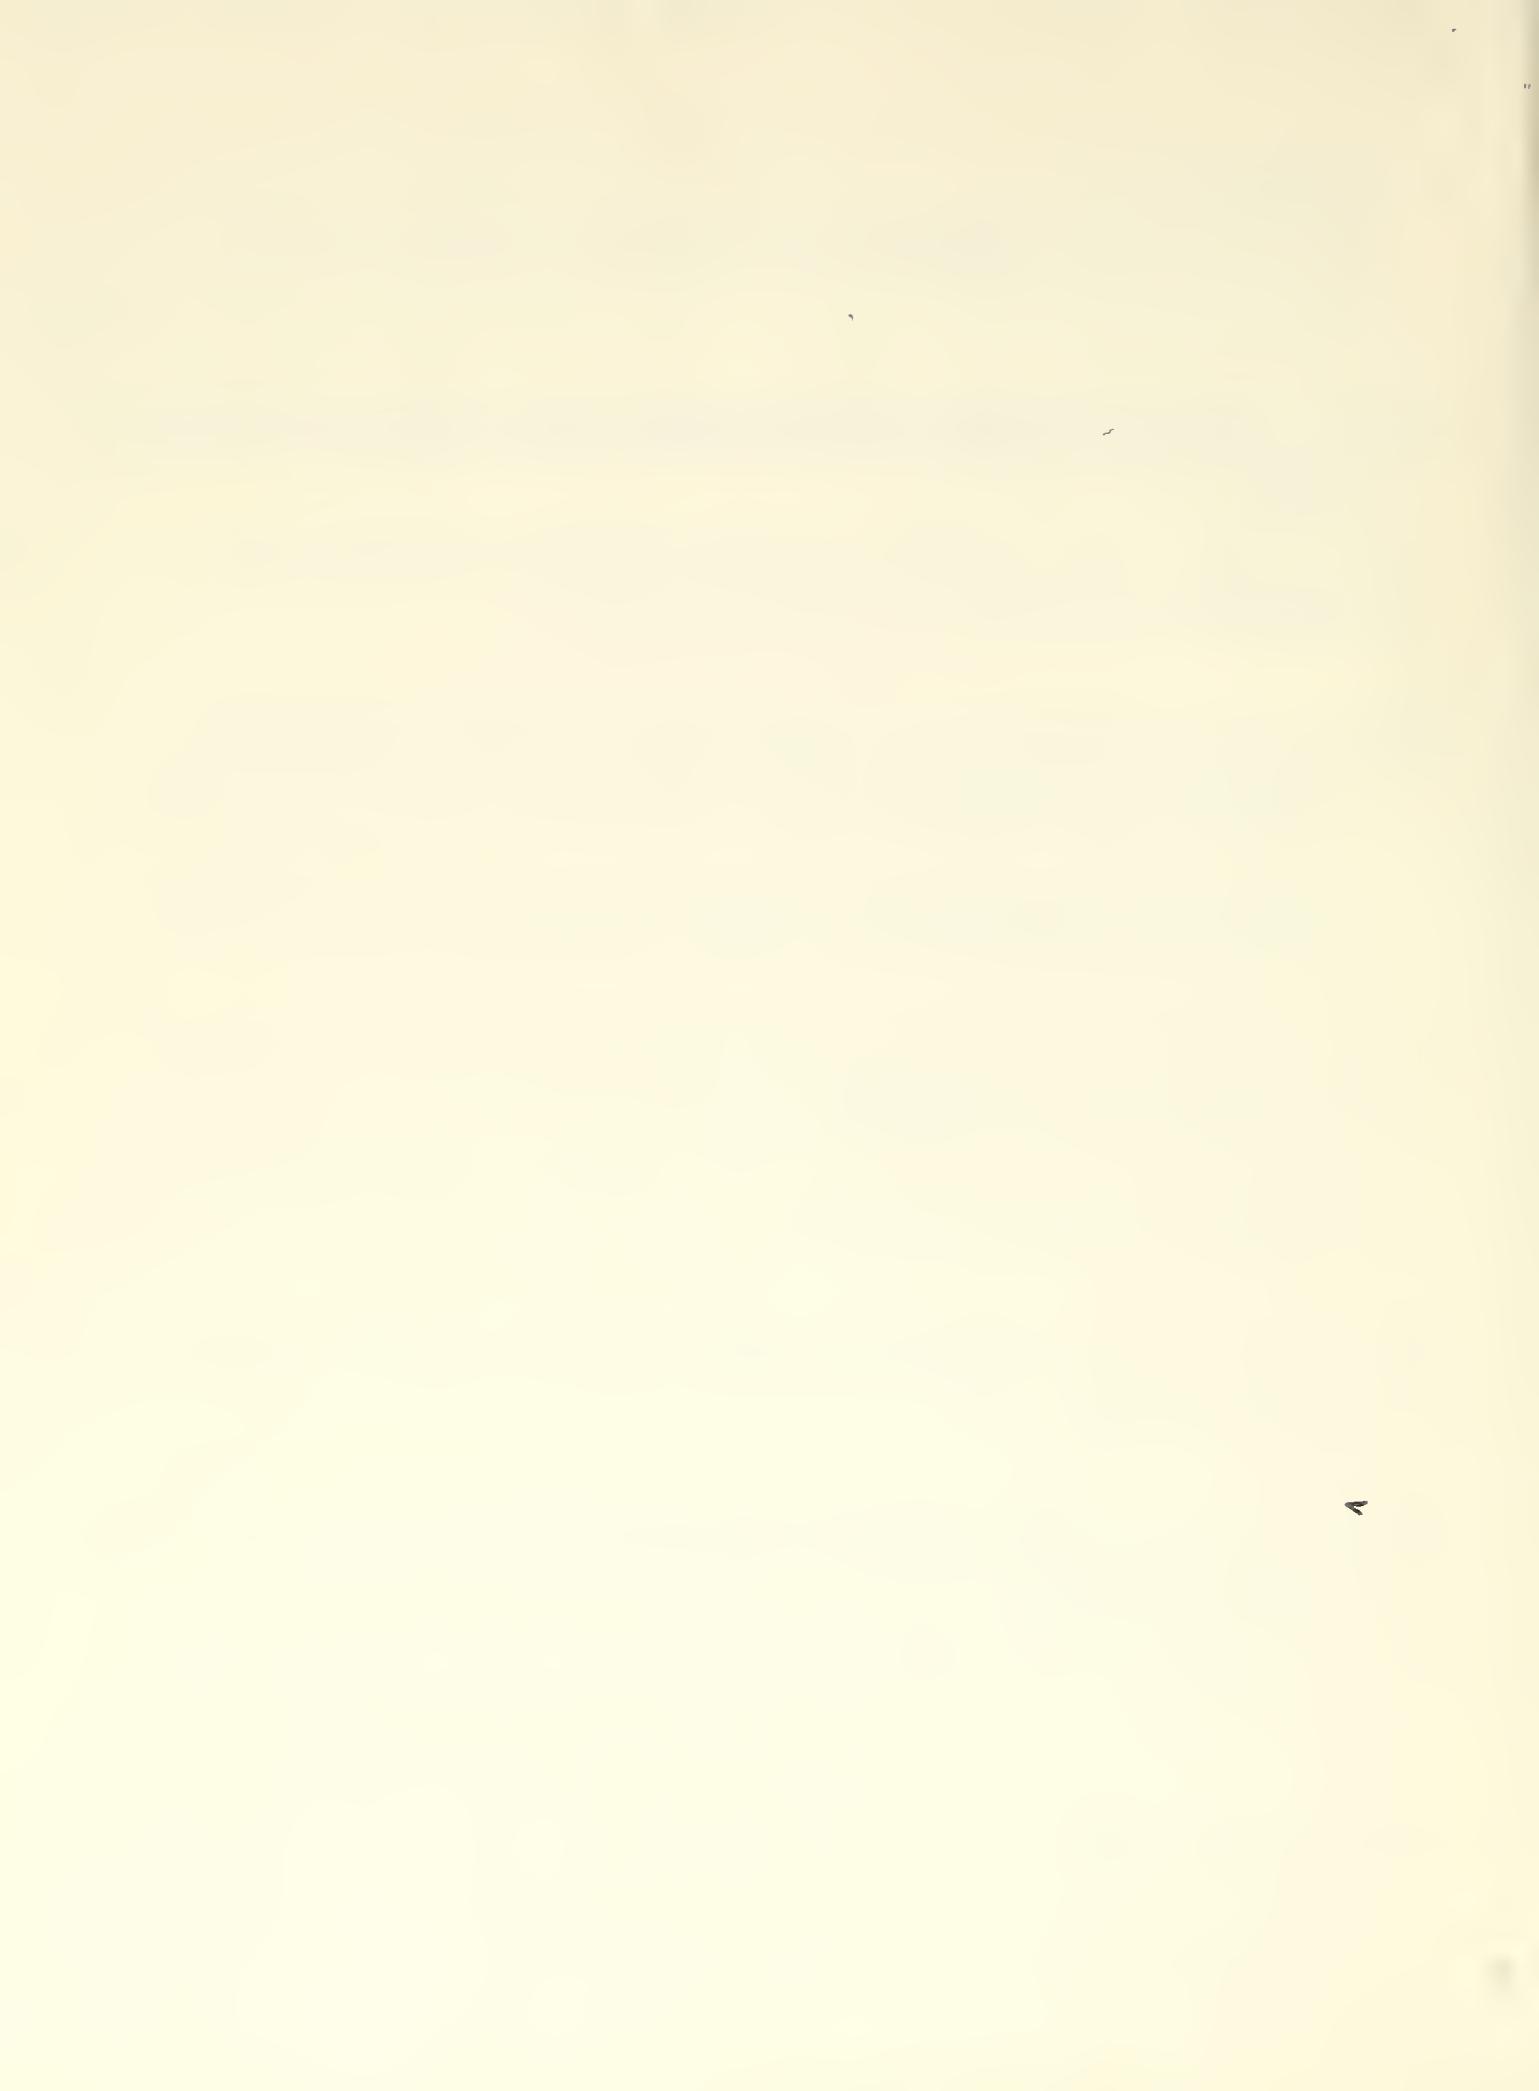

Hartman, Chester W., Low-Income Housing in the Boston Area: Needs and Proposals.

Hipshman, May B., Public Housing at the Crossroads: The Boston Housing Authority, Boston, 1967.

A critique of the Boston Housing Authority's approach to public housing problems with detailed recommendations for improvement.

Housing Innovations, Inc., Home Ownership, A Pilot Project in the Ghetto, Boston, 1967.

A proposal to arrest blight in a North Dorchester area through an increase in owner occupancy and rehabilitation.

IV. HOUSING (Con't)

Massachusetts Advisory Committee to the U.S. Commission on Civil Rights, Report on Massachusetts Housing in Boston, Boston, 1963.

A report on housing conditions, trends, rents and discrimination in Boston.

Nash, Professor William, The Impact of Public Programs and the Housing Shortage in Boston, Housing Advisory Research Committee, Mass. Committee on Discrimination in Housing, Boston, 1963.

A report on the Boston housing shortage with recommendations.

Rehabilitation, Inc., Non-Profit Residential Rehabilitation, A Proposal to Finance a Corporate Venture In Law and Moderate Income Housing, Boston, 1963.

Discusses characteristics of rehabilitation in the Washington Park Urban Renewal Project.

Sacks, Sadelle, R. An Open Door to Integrated Housing in Metropolitan Boston, Fair Housing, Inc., Boston, 1965.

A report of a two year program to develop methods for providing Negroes of all incomes access to white neighborhoods over a broad area.

Snyder, Ellen Marcia, Urban Growth and Renewal In Boston - Historical Aspects and Political Patterns, Joint Center for Urban Studies, Cambridge, 1964.

An accurate description of the background and context of publicly aided housing in Boston.

U.S. Department of Commerce, Bureau of the Census, U.S. Census of Housing, 1960 City Blocks, Boston Massachusetts, U.S. Government Printing office, Washington, D.C. 1962.

Statistics on the characteristics of housing units in Boston by blocks based upon data from the Census of Housing, dated as of April 1960.

IV. HOUSING (con't)

United South End Settlements, Castle Square Residential Relocation Program, Final Report, Boston, 1964.

The final summary report on the successful relocation of families and unrelated individuals in the Castle Square early land acquisition area.

V. PROFILE OF NEIGHBORHOOD CHANGE

Boston Redevelopment Authority, Report on Building Activity, City of Boston, 1960/1965, (Staff Report) Boston, 1965.

A summary of building activity over a five year period as shown by application for building permits.

Boston Redevelopment Authority, Report on the Removal and Relocation of the Charlestown Elevated Rapid Transit Structure, (Staff Report), 1964.

A timetable and methodology for the removal of the elevated.

VI. RECREATION

Harlow, Dr. Dana E., Eighty Paces Forward - A Comprehensive Study of Open Space, Informal Outdoor Education and Resident Camping Capital Needs for Non-Profit Agencies of Metropolitan Boston: 1965 - 1975, United Community Services, Boston, 1965.

Planning recreation facilities with regard to population needs.

Maguire, Charles A and Associates and Elson T. Kellam Associates, Inc. Report on the Use of the Charles River Basin and Lock for Commercial and Recreational Boating, Boston, 1959.

Report on alternative sites for Charles River Basin elevation control project

Metropolitan Area Planning Council, Open Space and Recreation Study for the Boston Region, Boston, 1965.

An inventory of existing open space and analysis with evaluations of proposals for alternative systems.

United Community Service Research Division, Profile for Planning: An Approach to Measuring the Need for Leisure Time Services in Metropolitan Boston, Boston 1967.

Material from census - inventory of facilities and programs.

Whalen, James F., Recreation Facilities of the Metropolitan District Commission, Boston, M.D.C. (n.d.).

Lists and briefly describes all facilities of the M.D.C.

VII. HEALTH AND RELATED FACILITIES

Abbot, Grace, A Survey of Boston Settlements and Neighborhood Houses, Committee on the study of the Social and Health Agencies in Boston (n.d.)

A discussion of the facilities which exist in Boston.

A.B.C.D., Roxbury Comprehensive Community Health Center, Boston, 1967.

A proposal for the establishment of a community health center on the basis of need determined by poverty and health indicies. Also, includes outlines on programs and fundings.

Axelrod, Morris and Fowler, Lloyd J., Some Characteristics of the Aged Population in the City of Boston. United Community Services, Boston, 1967.

A summary in table form of basic information on the characteristics of Boston's over 65 population.

Boston City Hospital, Board of Trustees, Boston City Hospital - Possible Future Role of the Hospital, Boston, 1959.

A summary of characteristics, regulations, attitudes and future of Boston City Hospital.

Boston Department of Health and Hospitals, A Building Program for Health and Hospitals, Boston, 1966.

The problems of the present physical plant and proposals for a new program.

Boston Redevelopment Authority, Renewing Boston's Municipal Facilities, Capital Improvement Program 1963-1975, Boston, 1963.

This report deals with the Hospital, Health, and Welfare Departments and with recommendations for improvements of each.

Lowey, Louis, Needs of Older Adults, A.B.C.D., Boston, 1961.

A look at the aged in society including present service programs, accommodations, and impact of urban renewal.

Massachusetts Mental Health Planning Projects, Mental Health for Massachusetts, (n.d.)

A capsule of findings and recommendations coupled with statistical analysis and a look at individual problems in mental health.

Plant, Thomas F., The Public Health, A.B.C.D. Boston, 1961.

A review of current health problems and health needs, and projected with the emphasis on Health, Education, and Welfare physical facilities.

Ryan, William, Ph.D., Report on the Boston Mental Health Survey to the Advisory and Steering Committee, Massachusetts Association for Mental Health, Massachusetts Department of Mental Health, United Community Services of Greater Boston, (n.d.)

A survey of Boston's mental health services and problems.

Yankelovich, Daniel, The Columbia Point Housing Project, Description of a Public Housing Population in the Urban North, Department of Preventative Medicine, Tufts University School of Medicine, Boston, 1966.

A report on population characteristics, household description, economics, and health related behavior and attitudes at the Columbia Point Housing Project.

VIII. MUNICIPAL HOUSEKEEPING

A.B.C.D. A Report on A.B.C.D. Activities, Boston, 1964.

Documentation of all A.B.C.D. activities, programs, planning, research during 1964.

Adinolpi, Dr. Anthony G., It's Time to Build, prepared for the Boston Redevelopment Authority, 1966.

A report on municipal construction in the City of Boston.

Boston Municipal Research Bureau, Boston and Equalized Valuation (special report No. 3) Boston, 1963.

A proposal for the more equal assessment of property taxes.

Boston Municipal Research Bureau, Tax Rate - A Primer for City Finance (special report No. 2) Boston, 1965.

An analysis of the judicious use of the property tax as an instrument for a stable municipal fiscal policy.

Boston Redevelopment Authority, Community Facilities Inventory, Boston, 1963.

A list of city and M.D.C.-owned facilities in active use in the city.

Hughes, John T., Jr. Report of Planning Survey, Boston Police Department, Boston, 1961.

A report to the Commissioner on a proposed new headquarter, Field Service Center and Alcoholic Processing Center.

Jones, David and Perlman, Robert, (Brandeis), Neighborhood Service Centers, U. S. Department of Housing and Urban Development, Waltham, 1967.

A description and evaluation of social services provided at the community level.

Lipsitt, Paul D., Report and Evaluation of the Police Community Relations, Pilot Project, Boston University Law-Medicine Institute Training Center in Youth Development, Boston, (n.d.)

The report of a project to improve police - community relations.

X. STREET SUFFICIENCY

Boston Redevelopment Authority, Sketch Plan for City Square - North Station Area, Boston, 1966

A proposal for re-routing traffic in the North Terminal area for maximum flow.

Boston Traffic and Parking Commission, 1964 Cordon Count, Boston, 1964.

A listing of traffic counts for selected main arteries.

Smith, Wilbur and Associates, Comprehensive Traffic and Transportation Inventory, prepared for the Commonwealth of Massachusetts, Boston Regional Planning Project, Department of Commerce and Development, Department of Public Works, Boston, 1965.

A detailed report on the existing transportation network for the Boston Metropolitan Area.

Smith, Wilbur and Associates, Renewal Traffic Study, Part I, prepared for the Boston Redevelopment Authority, New Haven, 1965.

First plan of the proposed traffic survey in renewal areas to determine most effective vehicular use patterns.

XI. UTILITIES.

Boston Public Works Department, Annual Reports, Boston, 1960-1966.

A record of each year's public works improvements.

Boston Redevelopment Authority, The Public Works System, Boston, 1960

A treatise dealing with the need for public works planning using the present public works system as a starting point.

Maquire, Charles A. and Associates, Boston Redevelopment Authority Report on Existing Utility Systems, Boston, 1964.

A report on the existing systems of sewage, water, police and fire signals transit and streets.

XII. HISTORICAL CONSERVATION

Boston Historic Conservation Committee, Beacon Hill, the North Slope, Boston, 1963.

An outline of the historic background of Beacon Hill and a proposal for the expansion of the historic district.

Boston Historic Conservation Committee and the Boston Redevelopment Authority, Marlborough Street/Back Bay- A Proposal to Establish the Marlborough Street Historic District, Boston, 1962.

A brief historic and architectural survey of this area.

Boston Redevelopment Authority, Guidelines for Restoration and Rehabilitation in the Back Bay Residential District (in preparation), Boston, 1967.

A guide to owners with recommendations for appropriate rehabilitation which will conform to the standards of the B.B.A.C.

Boston Redevelopment Authority, Criteria for Historic Preservation in Boston, (staff report), Boston, 1961.

A list of suggestions for the most effective restoration of older buildings.

Bunting, Bainbridge, Houses of Boston's Back Bay: An Architectural History, 1840-1917, Harvsrd University Press, Cambridge, 1967.

A thorough study of the Back Bay, its unique plan, architectural styles and their development.

Warner, Sam B., Street Car Suburbs, Harvard University Press, Cambridge, 1962.

- An analysis of the influence of early rapid transportation on the development of Boston's southern suburbs.

Whitehill, Walter M. Boston: A Topographical History, Harvard University Press, Cambridge, 1963.

The history of renewal in Boston from the colonial period through the twentieth century.

XIII. SURVEYS

Boston Redevelopment Authority, Staff Project, Vacant Land Survey, Boston, 1963.

City wide survey of vacant land.

Commonwealth of Massachusetts, Boston Regional Planning Project, Comprehensive Land Use Inventory Procedures Manual for Data Collection and Analysis, Boston, 1964.

A report on methods for processing and analyzing land use data.

United Community Services, Census Tract Committee, Tracting the Boston Standard Metropolitan Statistical Area, Boston, 1966.

A proposal for Census Tract Changes in the Boston S.M.S.A. for 1970.

XIV. FINANCING

Greater Boston Economic Study Committee, Financing Local Government in the 1960's, Boston, 1961.

Recommendation of program of fiscal reform to relieve the burden of property taxation in Massachusetts including a study of operating expenditures and property taxation in Greater Boston from 1960 to 1970. Property tax increase has been and will be greater in suburbs than in Boston.

Levi, Julian, Municipal and Institutional Relations Within Boston, 1962.

An examination of the relation of institutions to their neighborhoods, the impact of their growth on the City's economic and tax base; and the potential credits available to the city of Boston from Section 112 of the Federal Housing Act of 1961.

XV. GENERAL

Action for Boston's Community Development and Boston Redevelopment Authority, Application to the Department of Housing and Urban Development for a grant to plan a comprehensive city demonstration program, City of Boston Massachusetts Boston, 1967.

A description of the Model City Area of Boston and proposal for demonstration programs.

Action for Boston Community Development and Boston Housing Authority, Serving The People at Columbia Point Housing Development - A Report and Recommendations, Boston, 1963

A comprehensive study to determine existing services and needs for families living in the Columbia Point Housing Development and recommendations for additional services.

Advance Planning Associates, A Planning Study of the North Station Area, North Station Merchants Association, August, 1960.

A plan for strengthening the area as a major furniture and furnishing center.

Banfield, Edward C. and Meyerson, Martin, Boston: The Job Ahead, Joint Center for Urban Studies, Cambridge, 1966.

A discussion of a variety of problems facing Boston such as housing, schools, police and taxes.

Banfield, Edward C. and Deithick, Martha (eds.), A Report on the Politics of Boston, two volumes, Joint Center for Urban Studies, Cambridge, 1960.

A report on Boston's politics and some of its problems.

Boston Municipal Research Bureau, Annual Reports, Boston, 1960-1966.

Boston Redevelopment Authority, Annual Reports, Boston, 1960-1966.

Boston Redevelopment Authority, The Back Bay Development Study, Boston, 1965.

A report on the approach to the problems of the Back Bay by the Boston Redevelopment Authority and the Back Bay Development Corporation.

Boston Redevelopment Authority, Central Business District, Proposed Urban Renewal Plan, Boston, 1967.

XV. GENERAL (con't)

Boston Redevelopment Authority, Downtown Waterfront - Faneuil Hall Renewal Plan, Boston, 1965.

Boston Redevelopment Authority, Fenway Urban Renewal Plan, Boston, 1965.

Boston Redevelopment Authority, 1965/1975 General Plan for the City of Boston and the Regional Core, Boston, 1965.

A statement of the policies and programs which are intended to guide the development of the City of Boston from now until 1975.

Boston Redevelopment Authority, Government Center Urban Renewal Plan, Boston, 1965.

Boston Redevelopment Authority, A Preliminary Sketch Plan Statement for Boston Regional Core, City of Boston and The Metropolitan City Area, (Mimeo) Boston, 1961.

Preliminary discussion of goals and alternative forms of a long-run development and including analysis of transportation requirements.

Boston Redevelopment Authority, South Cove Urban Renewal Plan, Boston, 1964.
